Registration Number DMOJU/A/2024/60248

Name Yogi M P Singh

Date of Filing 23/10/2024

Status RTI APPEAL RECEVED as on 23/10/2024

This implies that First appellate authority did not entertain the submitted RTI first appeal by the appellant which is a mockery of the provisions of right to information act 2005.

3- Most respected sir, right to information act 2005 was introduced by the government of India to promote transparency and accountability in the working of public authorities but there is doubt that this act will achieve its goal because there is rampant corruption in the government machinery and in no public information officer is providing information to information seekers.

4- The appellant sought following 5-point information from the public information officer which was not provided by him.

(2) Yogi M P Singh

1- PIO must provide the enquiry report based on the findings of the three members team set up by district to magistrate Jaunpur for the enquiry of the scandal that took place in the municipality.

2- PIO must provide the copy of the letter of nomination of the team members by the district magistrate Jaunpur.

3- PIO must provide the name and designation of the officers who processed the enquiry report and granted their approvals.

4- PIO must provide the terms and conditions of the contract made between the municipality Jaunpur and the company selected for supply of the 900 LED street lights.

4- PIO must provide the name and posting details of the executive officer of the municipality Jaunpur who granted the tender in favour of the company supplying the 900 LED street lights to the municipality Jaunpur.

5-The Right to information act 2005 was introduced by the government of India to promote transparency and accountability in the working of the public authorities, but it is most unfortunate no public authority wants to disclose the information to the information seekers. Since the corruption in the working of the public authorities is rampant, so they do not want transparency and accountability in their workings which is the root cause they are diluting the provisions of the right to information act 2005 by hatching conspiracy against the act.

6-900 LED streetlights were purchased in Jaunpur Nagar Palika in December 2021. The LED lights were supplied by a firm named Maa Ganga & Sons. These lights were to be installed in various wards by

the municipality. Meanwhile, people alleged that the municipality has embezzled millions of rupees by purchasing street lights at a price higher than the market rate. The 900 LED street lights purchased were of the 60 watts. The price of one light including GST was shown by the firm as Rs 6,250.

7-The District Magistrate constituted a three-member committee in this matter. SDM Sadar Himanshu Nagpal, Chief Treasurer Sunil Kumar and Executive Engineer Electricity were included in the team, constituted to investigate the financial irregularities. The investigation revealed that the price of 900 lights including GST has been shown as Rs 56,24,999 in the tender. The company which owned the streetlights could not be verified on checking online, due to which questions started being raised on the reliability of the lights.

This is a humble request of your applicant to you Hon'ble Sir that how can it be justified to withhold public services arbitrarily and promote anarchy, lawlessness, and chaos arbitrarily by making the mockery of law of land? There is need of the hour to take harsh steps against the wrongdoer to win the confidence of citizenry and strengthen the democratic values for healthy and prosperous democracy. For this, your appellant shall ever pray for you, Hon'ble

Sir.
