Short submissions of the applicant before the most respected sir are as follows. 1-This is a humble request of the applicant to take a glance of the following non cognizable report registered in the police station Vindhyachal Kotwali in which action is awaited on the part of investigation officer police station- Vindhyachal Kotwali District-Mirzapur, Uttar Pradesh.PS (थाना): विध्याचल, N.C.R NON COGNIZABLE OFFENCE INFORMATION REPORT In respect of Non Cognizable Offence (Under Section 174 B.N.S.S.) No. (रोजनामचा स.): 046 G.D. Time 14:06 बजे , for more details please take a glance at first and second page of the attached pdf document. 2- It is quite obvious from the general diary report attached to this petition as 11th page of pdf documents it is categorically mentioned that Sub Inspector Binod Kumar Yadav departed from the police station Vindhyachal along with his colleagues to investigate N.C.R.104/2024 and 105/2024. This implies that N.C.R.105/2024 was registered later by the Vindhyachal police i.e. after G.D. Time 14:06 बजे 3- The applicant along with her husband reached police station Vindhyachal at 10:30 o'clock in the morning. The applicant was mercilessly beaten by the offenders. At 12:00 o'clock along with police constable the applicant reached Community Health Centre Vindhyachal for medical examination. 4- It is noticeable that the offenders 1- Subham Kushwaha S/O Manoj Kushwaha, 2- Manoj Kushwaha S/O Rambali Kushwaha and 3- Saroja Devi W/O Manoj Kushwaha. had already reached to the</p>

police station Vindhyachal. 5- The husband of the applicant made a call to dial 100 and when police reached on the place of event offenders already fled from the site and reached to police station Vindhyachal which is the cause to reach late of the applicant at police station Vindhyachal. 6- Doctor of the Community Health center attended the applicant and primary remedy/treatment was made on the wounds on head and thumb as bone of thumb was fractured. The applicant was discharged from the community health centre at three O clock in the evening. 7- The injuries made on the body of the applicant was of serious nature, so applicant was admitted in the government hospital at district Prayagraj which is quite obvious from the attached documents to this petition. 8- When the husband of the petitioner and the offenders were at the police station Vindhyachal, how the Sub Inspector Binod Kumar Yadav departed from the police station Vindhyachal along with his colleagues quite obvious from reference GD. No. 057, 2. G.D. Date 14/09/2024 15 51 O Clock, 3. GD. Type: Detained. 9- Whether such cryptic, mysterious and misleading reports lowering the credibility of the police and such practices which are promoting anarchy in the management of the police must not be curbed. 10- It is most unfortunate that accused Saroja Devi W/O Manoj Kushwaha. was excluded from the non-cognizable report deliberately by Police-Vindhyachal, quite obvious from the first and second page of the attached pdf document to the grievance. 11- Think about the gravity of the situation, the applicant was mercilessly beaten by the offenders even then the husband of the applicant was taken under custody by the police under the influence of the opposite party which is showing the biased approach of the accountable staff of Vindhyachal Police Kotwali. 12- Most respected Sir medical examination report was made by the community health center which receipt is attached as the 3rd page of the attached PDF document to the grievance, but this report was not provided to the applicant. The staff of the Community Health Centre wrote medicines from outside purchased from private medical stores. 13-Tej Bahadur Sapru Hospital Beli, Allahabad Opposite Erny Memorial School treated the applicant subsequently. Most respected sir please take a glance of the rest of 5 pages of the attached pdf document to the grievance including the X Ray report in which showing the broken bone of the applicant. 14- SHO Vindhyachal must provide the government orders, circulars and office memos which allow a station house officer not to mention the name of the main victim in a non-cognizable report or first information report. 15- The applicant was mercilessly beaten by the offenders and belonging to the vulnerable section but her first information report has not been registered even when the applicant suffered serious injuries like hand bone fracture and serious injuries on the forehead, quite obvious from the attached certificate of the government hospital. Station house officer Police station Vindhyachal Mirzapur advised the applicant to take shelter in appropriate court of law and police cannot do anything in favour of the victim. SHO Vindhyachal must provide the government orders, circulars and office memos which is making station house officer Police station Vindhyachal Mirzapur powerless/teethless to take action against offenders in order to provide justice to women and girls including applicants. 16- Whether the government of Uttar Pradesh has passed any order which prohibits vulnerable sections of society especially women and girls to register a first information report in a nearby police station for justice. Whether Govt of Uttar Pradesh has revoked the provision of law which provides justice to the aggrieved who are assaulted by the offenders in cases of criminal matters. O God help the applicant.
