1- Right to reason is an indispensable part of the sound administrative system quoted by the Supreme Court of India on number of times. Tehsildar Lal Ganj must provide the reason for seeking documents to process the inheritance under section 32 of the revenue code 2006.

2- Most respected Sir please take a glance of the second and third page of the attached pdf document to the online RTI application through which Tehsildar Lal Ganj denied processing inheritance. Please provide the reason for changing the stand and misleading the monitoring bodies on the Jansunwai portal and applicant with his changed stand.

3-These contrary reports lowered the dignity of the public grievance portal and Jansunwai Portal of the government.

Please provide the action taken against the Tehsildar Lal Ganj by the competent authority of the government.

4- It is obvious that earlier processing of inheritance was illegal because the name of the applicant was not included in the list of inheritors deliberately in the processing by reaping the vulnerability of the applicant. The staff of Tehsil Lal Ganj also colluded with them.

This implies that there is no title dispute between the opponents and the information seeker.

Please provide the reason for not ordering an inquiry in this matter of corruption in processing the inheritance by the staff of Tehsil Lal Ganj.

4-The matter concerns the working of the station house officer Drummond Ganj under Supervision of circle officer Lal Ganj as well

as with the sub divisional magistrate Lalganj. This is a criminal act of deep-rooted corruption. Since corruption is rampant in the government machinery, so, no officer wants to bell the cats because of fear-psychosis. Our political masters are a puppet of honesty otherwise there is transparency and accountability, and certain actions was taken in this matter of deep-rooted corruption.

5-The summary of the matter under reference is as follows.

The matter concerns the irregularities and corruption in the working of tehsil Lalganj district- Mirzapur so an enquiry must be ordered by the competent authority in the matter so that offenders may be sent behind the bar.

The applicant is seeking action against following offenders who conspired usurping the property of the applicant so enquiry must be ordered by the competent authority of the tehsil Lalganj.

1- Dayashankar Mishra S/O Shambhu Saran Mishra, Police station- Drummond Ganj, village- Bhaishod Balay Pahad post-Drummond Ganj, tehsil-Lalganj, development block-Halia, District- Mirzapur Uttar Pradesh.

2- Hariprasad Mishra S/O Shambhu Saran Mishra, Police station- Drummond Ganj, village- Bhaishod Balay Pahad post-Drummond Ganj, tehsil-Lalganj, development block-Halia, District- Mirzapur Uttar Pradesh.

3- Lekhpal, Lalganj tehsil, 4- Revenue inspector, Lalganj tehsil and
5- Tehsildar, Lalganj tehsil

It is also noticeable that my grandfather died 5 years later than my father, so the applicant itself was class-1 heir in the matter, so this inheritance had to be conducted from my grandfather to the applicant not from my father to the applicant. This matter concerns the irregularities committed in processing the inheritance from my

grandfather to his sons and the applicant was arbitrarily deprived by making a mockery of the law of land and provisions of revenue court 2006 was overlooked. The applicant was merely 10 years old during the processing of inheritance from grandfather to next heirs.

The name of the applicant was omitted from the list of heirs by colluding with the staff of Tehsil Sadar through bribes obvious from circumstantial evidence.

Most respected sir, the grievances given by the aggrieved people on the public grievance portal are sent by the office of chief minister government of Uttar Pradesh to the Jansunwai portal of the government of Uttar Pradesh where grievances are redressed under the monitoring of the office of chief minister government of Uttar Pradesh.

In this specific matter of the applicant, reports are being given by the staff of tehsil under the monitoring of the tahsildar Lalganj district Mirzapur.

It is most unfortunate the officer who submitted the report did not take the perusal of the submissions of the grievance in which it has been categorically stated that father of the applicant died before the death of the grandfather, so the applicant was the class one heir during the process of inheritance after the demise of the grandfather. Whether the usurping of the ancestral property by the uncle and great father was taken with the help of any court. There is no title dispute between the applicant and other shareholders, so the indiscriminate suggestion provided by the concerned officer is only showing laxity of the concerned staff to the matter of deep-rooted corruption. An enquiry must be ordered by a competent

officer in the matter of corruption in which staff of the tehsil Lalganj were also indulged so action must be taken against the corrupt element so that justice must be provided to the applicant. It is obvious that the process of inheritance is non judicial.

There was no need whether the name of my father was included in the revenue records or not because during the death of my father my grandfather was alive and entire ancestral properties were in the name of my grandfather.

This is a humble request of your appellant to you, Hon'ble Sir that how can it be justified to withhold public services arbitrarily and promote anarchy, lawlessness, and chaos by making a mockery of the law of the land. There is a need for urgent action to take harsh steps against wrongdoers to win the confidence of the citizenry and strengthen democratic values for a healthy and prosperous democracy. For this, your appellant shall always pray for you,

Hon'ble Sir.

Date-14/01/2025

Yours sincerely.
