law at his end with the intimation to the complainant. I have not expressed any

21/11/2024. In reference to the above, it is to be informed that there is a  
provision for seeking any archival information under Section 2 (j) of the  
Right to Information Act-2005. It is impossible to provide the information  
as the information sought by you is not archival.

५ साधना तिवारी

Therefore, you are informed that you should ask for archival information so that the information can be made available to you.

6- Most respected Sir, according to Section 2 (j) of the RTI Act, defined "right to information," which means the right to information accessible under this Act which is held by or under the control of any public authority. Rights available under RTI Act: Seek any information which is held by any public authority.

7- Most respected Sir according to public information officer order passed by Uttar Pradesh Human Rights Commission dated 05/09/2024 as explained under point 4 is not a part of documents. Indirectly he is saying that order passed by the Uttar Des Human Rights Commission is not reached the office of S.P. Mirzapur.

The appellant is confirmed that order has reached to the office of SP Mirzapur but it has been put into heap of garbage.

This is a humble request of your applicant to you Hon'ble Sir that how can it be justified to withhold public services arbitrarily and promote anarchy, lawlessness, and chaos arbitrarily by making the mockery of law of land? There is need of the hour to take harsh steps against the wrongdoer to win the confidence of citizenry and strengthen the democratic values for healthy and prosperous democracy. For this, your appellant shall ever pray for you, Hon'ble Sir.

Yours sincerely
