My father Ashok Kumar Jaiswal cheated the son/applicant Naresh Kumar Jaiswal so it is a humble request to file a case of cheating against my father.

Under BNS 318 (4), a person is said to commit the offence of cheating if they, by deceiving another, fraudulently induce any person to deliver any property or consent to the retention of any property by any person or intentionally do anything which they would not do or omit if they were not so deceived.

It is quite obvious that whatever property belonging to ancestors inherited to Ashok Kumar Jaiswal sold by him included the share of the applicant which shows the ulterior motive of the Ashok Kumar Jaiswal which requires that he must be punished in accordance with the law.
