* Ground For Appeal	No Response Within the Time Limit	
((Description of Information sought (upto 500 characters))		
* Prayer or Relief Sought	<p>To The Superintendent of Police District – Mirzapur PIN Code – 231001 Subject: First Appeal under Section 19(1) of the RTI Act, 2005 regarding Non-Response to RTI Application (Registration No. SPMZR/R/2025/60170) Respected Sir, I, Kamlesh Singh, hereby submit this appeal under subsection (1) of Section 19 of the Right to Information Act, 2005, in reference to my RTI application dated 04/07/2025, bearing Registration Number SPMZR/R/2025/60170. The application was duly received on the same date, as per the online portal status. However, despite the lapse of the stipulated time under Section 7(1) of the RTI Act, no response has been provided by the concerned Public Information Officer (PIO), Shri Om Prakash Singh, ASP Operation, Mirzapur. Grounds of Appeal: Violation of Statutory Timeline: As per Section 7(1) of the RTI Act, the PIO is mandated to respond within 30 days from the date of receipt of the application. However, more than 30 days have passed, and no reply has been furnished, thereby violating the statutory obligation. Failure to Discharge Duty: The PIO has failed to entertain the RTI application, which amounts to a denial of the applicant's right to information and undermines the transparency objectives of the RTI Act. Information Sought in the Original RTI Application: Police Inaction Despite Emergency Call: The applicant's son dialed 112 to report illegal boring activity, yet the offenders continued unabated. Kindly provide the documents, orde notes, or instructions from any competent authority that restrained the police from taking action in this matter. Sub Judice Matter and Police Stagnancy: The land in question is under judicial consideration. Despite this, the offenders are attempting to override the jurisdiction of the competent revenue court. Please clarify which legal provisions or departmental protocols justify the police's passive stance in such a situation. Details of Police Personnel at the Site: Kindly</p>	

provide the names, designations, and posting details of the police personnel who visited the site on the said date but failed to prevent the illegal boring activity. Additional Submissions: Furthermore, it is deeply concerning that while the matter is pending before the competent court the accused parties are attempting to forcibly take possession of the disputed land by installing a bore. This not only undermines the authority of the judiciary but also renders the role of the Sub-District Magistrate ineffective. In such circumstances, the silence of the Jigana police raises serious questions about their moral and legal responsibility. If the police allow such possession actions during the pendency of the case, it defeats the very purpose of judicial adjudication. The court's decision becomes irrelevant if the status quo is not maintained. Therefore, I humbly urge your good office to intervene and uphold the rule of law by ensuring that no party takes unilateral action on disput
