Dear Sir,

Hope you are doing well. I am writing this letter on behalf of my mother. I am Prasant Singh, son of Mrs. Uma Singh.

This is regarding **Mrs. Uma Singh** (widow of Ex-Army personnel **Mr. Shiv Bahadur Singh**), who holds a bank account in your branch (Account No. **29430100016368**).

I would like to inform you that she visited the branch on **13 June 2025**, submitted all the required KYC documents in person, and also withdrew some amount during the visit. She also completed certain formalities related to creating a Fixed Deposit. Please refer to the FD document issued by the bank.

However, it has been noticed that **her pension has not been credited** to the account since then.

I regret to inform you that **Mrs. Uma Singh passed away on 06 August 2025**. The death certificate is attached for your reference.

Kindly look into this matter and guide us on the necessary steps to be taken regarding her account and pension settlement.

Thank you for your support and cooperation.

Sincerely,**Prasant Singh**

Son of Uma Singh
